

EVALUATION: In Search of Ancient Communities

	Exemplary 28.5 pts	Accomplished 25.5 pts	Developing 22.5 pts	Points
Research (30 Points)	<p>You did a great job of researching the archaeological site, including its location and time period! You also thoroughly investigated the archaeological and historical theories and the unsolved mysteries regarding the site. You provided details and examples to explain your answers to the worksheet questions. It is clear that you understand the evidence archaeologists have found and the theories they have developed about this site.</p>	<p>Your research was solid and you answered the worksheet questions. You described the background of the archaeological site, some of the theories about it, and some of the unanswered questions about the site. You provided details about your findings, but needed to go into greater depth.</p>	<p>Good start! You conducted research and provided some answers to the worksheet questions. You researched some information about the site, theories about it, and/or unsolved mysteries. You did need to support your findings with more facts and details related to the site. With practice, you will learn to focus your research on the assigned task.</p>	
Group Collaboration (30 Points)	<p>You are an extremely effective team! You listened to each other's ideas, made suggestions, and remained focused and positive.</p>	<p>You have what it takes to make a great team. Try to motivate and support every member to get full participation!</p>	<p>Team skills develop with practice. Each member needs to take responsibility for listening to and contributing ideas.</p>
